

# JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

**Aaron Bernstine**  
Pennsylvania State Representative

*“Josh Prince is a boots on the ground, take care of business, kind of guy. I have relied repeatedly on his counsel on firearms law issues. He has never failed to answer the call to provide aid to my legislative business or help me with constituent service.*

*His judgment is impeccable. His logic is sound. His integrity and intellect are beyond reproach. And he has lived in the real world that you and I do.*

*This is why we need Josh Prince on the Commonwealth Court. Josh is the best prepared to serve our citizens. Forty-five appellate court appearances in 13 years and 8 wins in the Commonwealth Court alone in the past 4 years means not only does he know how the courts work but he knows the law inside and out and his arguments are legally sound. His experience and qualification make him the obvious choice.”*

**Prince had this to say about the endorsement:**

“I’m deeply honored to have Rep. Bernstine’s endorsement, and am grateful for his advocacy of small businesses, which serves as the backbone of our local economy. Government is more accountable to its citizenry with public servants who fight for thriving communities by decreasing the regulatory burden and taxation that challenges our small businesses.

As a Commonwealth Court Judge, I look forward to availing all Pennsylvanians with the relief the law provides when Constitutional rights and freedoms must be defended in the courtroom.”
