

JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

Barry Jozwiak
Pennsylvania State Representative

"As a U.S. Navy veteran, former Bern Township Supervisor, former Sheriff of Berks County, retired State Police Trooper, and current member of the Pennsylvania House of Representatives I am honored to endorse Josh Prince's candidacy for the Commonwealth Court of Pennsylvania. The work that Josh has done as principal of the Civil Rights Defense Firm, P.C. and as associate at Prince Law Offices in Berks County, P.C. is commendable. Josh's education, litigation record, and experience make him a remarkable candidate for the Commonwealth Court and I am pleased to offer him my public support."

Prince had this to say about the endorsement:

"It is a great honor to have Rep. Jozwiak's endorsement. Rep. Jozwiak's lifetime commitment of making Americans, and especially Pennsylvanians, as safe as possible by upholding the Rule of Law is an embodiment of the solemn responsibility we have as a free people to maintain civil order through the laws that we have established and honor as an electorate body.

When there are self-serving actors who attempt to live above the law, it is people like Rep. Jozwiak who have helped keep the peace so that Pennsylvanians feel safe in their communities. I look forward to demonstrating this same dedication when I uphold our laws as a judge in the Commonwealth Court, so that justice and order stave off the roguery of anarchistic behavior."
