

JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

Dave Zimmerman
Pennsylvania State Representative

“Joshua Prince has led many efforts to protect our Constitutional Rights including our 2nd Amendment to keep and bear arms. I fully support and endorse Joshua in his race to become Judge of the Pennsylvania Commonwealth Court.”

Prince had this to say about the endorsement:

“Rep. Zimmerman has been instrumental in advancing legislation that reflects the values of his constituents while serving as a steadfast defender of their liberties, and I’m extremely honored to have his endorsement. I’m grateful for Rep. Zimmerman’s acknowledgement of my proven record in safeguarding Pennsylvanians’ freedoms.

As an elected Commonwealth Court Judge, I will endeavor to exemplify the servant leadership he embodies while performing my duties as an adjudicator who is well versed in the law, and empowers Pennsylvanians to access our system of justice when their Constitutional freedoms and rights must be defended.”
