

JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

David Maloney

Pennsylvania State Representative

"As a lawmaker committed to ensuring a fair and impartial judiciary, I strongly support the candidacy of Attorney Joshua Prince to succeed the vacancy on the Commonwealth Court created by the departure of Judge Kevin Brobson. I and many of my colleagues have worked directly with Mr. Prince, and our communities have benefited from his civil rights advocacy. I can think of no other person who has demonstrated by thought and deed a greater commitment to constitutional adherence and a philosophy of judicial restraint. The Commonwealth will benefit from having Mr. Prince serve on the Commonwealth Court.

Mr. Prince has practiced before the federal courts including the U.S. Supreme Court, and he is a member of the bar in Maryland and Pennsylvania. His advocacy includes dozens of cases argued before Pennsylvania appellate courts—most often the Commonwealth Court on which he wishes to serve. Mr. Prince has litigated cases including civil liberties matters largely concentrating on second amendment protections, workers compensation claims, to mental health freedoms and challenges to the COVID states of emergency.

Attorney Prince's credentials indicate that he is fully qualified for the Commonwealth Court. The people of Pennsylvania can be certain that in Mr. Prince they will be getting a strict constructionist who holds both our state's constitution and U.S. Constitution in reverence and is committed to upholding them."

Prince had this to say about the endorsement:

"I am grateful for the experience of working alongside public servants in the state legislature who diligently defend the Constitutional rights of Pennsylvanians such as Rep. Maloney. David's endorsement means a great deal to me, and I'm moved by the deliberate recognition he has made about my record of achieving victory for our foundational freedoms.

I will endeavor to serve Pennsylvanians with the same determination as a Commonwealth Court Judge that I have demonstrated on my path of defending Constitutional rights in the courtroom as an attorney."
