

# JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

**Doug McLinko**  
Bradford County Commissioner

*"I have worked with Josh Prince for years. No one knows better than Josh that our laws and constitution must be followed to the letter, if our Republic is to survive."*

## **Prince had this to say about the endorsement:**

"Commissioner McLinko has dedicated most of his life to the civic engagement that is necessary for our Constitutional Republic to thrive, and I'm deeply honored to have his endorsement. As an elected official, he has improved the quality of life for Pennsylvanians by decreasing taxes and limiting government regulation of industry.

As an elected Commonwealth Court Judge, I will work tirelessly with the same dedication Commissioner McLinko has demonstrated as a public servant. Upholding the U.S. Constitution in the judiciary will be an honor, as I will always see it as a privilege to use my expertise as a civic duty in our combined efforts to continue the exercise of self-rule in our Republic."
