

JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

James Albert

Westmoreland County Sheriff

“Josh Prince is Pennsylvania's protector of civil liberties and fundamental fairness. And, he has the experience to prove it. The Republican Party needs Josh Prince for Commonwealth Court.”

Prince had this to say about the endorsement:

“Sheriff Albert has worked tirelessly to build a strong and committed team in the Westmoreland County Sheriff’s Office. Sheriff Albert’s experience and wisdom from serving as a Greensburg District Judge for more than 25 years, and also as a police officer, detective, deputy county sheriff, city councilman and school board member is invaluable. Sheriff Albert’s presence has been instrumental in promoting a positive culture in the Westmoreland County Sheriff’s Office.

I am deeply honored to receive Sheriff Albert’s endorsement, and will endeavor to follow his example of instilling a strong culture of teamwork in my mission of upholding Pennsylvanians’ Constitutional Rights as a Commonwealth Court Judge.”
