

# JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

## Joe Groody

Schuylkill County Sheriff and Immediate Past President of the Pennsylvania Sheriffs' Association

*"As Josh has been an ardent and successful defender of our constitutional rights in the state and federal courts, there is no one better suited to be the next judge on the Commonwealth Court. It is for that reason that I wholly endorse him for the Commonwealth Court."*

## Prince had this to say about the endorsement:

"Sheriff Groody's lifetime commitment of enforcing the law has been integral to maintaining a culture of safety in his community, and that's why the people of Schuylkill County continue electing him as their chief law enforcement officer.

I'm deeply honored to have Sheriff Groody's endorsement, and I'm grateful for his recognition of my accomplishments in safeguarding the Constitutional rights of Pennsylvanians. Government functions best when public servants in each branch perform the responsibilities they were entrusted to achieve when elected, and I look forward to faithfully fulfilling my duties as the next Commonwealth Court Judge."
