**Michael Slupe**  
Butler County Sheriff

*"I am privileged and honored to offer my endorsement of Josh Prince's candidacy for the Commonwealth Court.*

*Mr. Prince's hard work over the years along with the knowledge of the law, and the legislative body's intent of the law, make him a great candidate for the Court. Mr. Prince has a deep respect for the Constitution of the United States and the Constitution of Pennsylvania, and this shows through with the cases he has litigated.*

*Mr. Prince's commitment to the law and following the law is paramount for making decisions about the law.*

*Mr. Prince's resume speaks volumes to what his presence would bring to the Commonwealth Court, and once again, I am honored to offer my endorsement for his candidacy for this role."*

**Prince had this to say about the endorsement:**

"Sheriff Slupe is dedicated to affecting positive change in his community by being proactive in offering activities and education that result in residents that are knowledgeable and skilled in the lawful exercise of their Constitutional rights.

I'm humbled by Sheriff Slupe's endorsement, and am deeply honored to receive it. I'm moved by his recognition of my commitment to upholding the law on behalf of the defense of Pennsylvanians, and would count it as the highest honor to embody those same merits as a judge in the Commonwealth Court."
