

JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

PSA Action PAC

President Sheriff Fyock

“On behalf of the PSA Action PAC, we would like to announce that the Pennsylvania Sheriffs’ Association Political Action Committee has unanimously voted to endorse Josh Prince’s campaign for the Commonwealth Court.

The PAC’s board is a bipartisan body represented equally by both major political parties. The PAC votes on candidates and elected officials who receive a recommendation from at least two active members in good standing.

Josh Prince’s commitment to citizen’s rights, his strong support of the Constitution, and his knowledge of the law are just a few reasons the PAC decided to endorse his candidacy.”

Prince had this to say about the endorsement:

“Local government is a driving force in keeping our communities safe through an equal application of the law for all residents. The leadership of our sheriffs maintains our civil order while setting a standard of acting bravely in the face of danger to protect residents in each American community.

I’m deeply honored to have this endorsement from members of the PSA Action PAC. I look forward to protecting Pennsylvanians’ Constitutional rights and liberties as a judge on the Commonwealth Court with the same selfless courage that our leaders in law enforcement display.”
