

JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

Ryan Mackenzie
Pennsylvania State Representative

“Josh Prince has a superior legal mind with a total commitment to our Constitution. Josh belongs on the Commonwealth Court.”

Prince had this to say about the endorsement:

“Rep. Mackenzie’s exceptional dedication has resulted in the elimination of excessive tax burdens and unnecessary regulations, which has improved the quality of life for countless Pennsylvanians. His service as an agent of the people demonstrates the essence that propelled the authors of our founding documents in becoming a nation, and I’m deeply honored to have his endorsement.

As a Commonwealth Court judge, I will work as a public servant with the same fervor in empowering Pennsylvanians to avail themselves with the tools afforded by the law in their pursuit for justice.”
