

JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

Stephanie Borowicz

Pennsylvania State Representative

"I have known Josh Prince for several years and endorse his candidacy for Commonwealth Court without hesitation. Josh not only shares our values, but he acts on them. Every bit of his legal practice is dedicated to preserving our liberties for generations to come."

"Whether it is fighting against COVID restrictions or standing up for our firearms rights, Josh Prince leads the way. If you want to know what kind of judge he will be, look no further than his record in court. The choice is clear. Josh must be our nominee for Commonwealth Court."

Prince had this to say about the endorsement:

"Rep. Borowicz' endorsement is very special to me, and I'm grateful for the opportunity of working alongside her and her lawmaking colleagues in defending the Constitutional rights of Pennsylvanians. Because of the vigilant representation of advocates such as Rep. Borowicz, Pennsylvanians that are concerned about their liberties and parental rights being violated are being heard and fought for.

As a Commonwealth Court Judge, I will work with the same dedication to ensure that the courtroom provides all Pennsylvanians with the judicial relief to defend their Constitutional liberties and civil rights."
