

JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

Tony Guy
Beaver County Sheriff

"As the elected Sheriff of Beaver County, no one better understands the importance of protecting the rights of citizens. Josh Prince is my choice for Commonwealth Court. No one else has argued more than 45 appellate cases in the last 13 years. No one else is better prepared for the job and will protect our civil liberties.

We need the most qualified candidates to make our courts strong and adherent to the constitutional principles Americans embrace. We can win with Prince. We can keep the Commonwealth Court, Pennsylvania's Constitutional Court by electing a Judge that has proven his commitment to the Constitution. That's why I am endorsing Prince and I encourage you to do the same."

Prince had this to say about the endorsement:

"Tony's endorsement means a lot to me, coming from an accomplished individual who has pursued the attainment of such a well-rounded skill set in law enforcement prior to being elected to serve as Sheriff by the residents of Beaver County.

I'm deeply grateful for Sheriff Guy's acknowledgement of my expertise and experience in defending Pennsylvanians' Constitutional rights, and will be even more honored to offer my qualifying background to faithfully serve as a judge on the Commonwealth Court."
