

JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

Bryan Sampsel
Centre County Sheriff

"It is my honor to endorse Josh Prince for Commonwealth Court Judge. His dedication in defense of the rights of our citizens as defined by the Constitution of the United States and the Constitution of Pennsylvania is to be admired. We're all aware of the many perils that face today's youth. Josh's knowledge and courtroom experience are what we need to ensure that law & order rules the future for the safety of our children.

There is no better candidate than Josh Prince to support your constitutional rights. He is definitely what we need on the Courts of Pennsylvania in today's world.

I would urge any Pennsylvanian who values their constitutional and civil rights to join me in supporting Josh at the polls in the May primary."

Prince had this to say about the endorsement:

"As a self-governing nation, we created a social contract with laws to empower our government to protect us in exchange for the recognition of agreed upon natural born rights. Each branch of our government at the state and federal level is tasked to create, enforce, and uphold our laws so that our Constitutional Republic functions properly.

The people of Centre County continue to entrust Sheriff Sampsel as the chief law enforcement officer because he understands the significance of his role in enforcing the law to promote the safety of his constituents.

I am deeply honored to receive Sheriff Sampsel's endorsement, and the recognition that I have upheld the law to protect citizens, which I will continue to do while serving as a Commonwealth Court Judge."
