

# JOSH PRINCE

Commonwealth Court of Pennsylvania *for Justice*

**Todd Caltagarone**  
Elk County Sheriff

*"It is my pleasure to endorse Joshua Prince for Judge of the Commonwealth Court. He has a proven record of protecting and defending the rights of all Pennsylvanians. His support of the U.S. Constitution, Pennsylvania Constitution, federal and state law is unwavering. We can always count on Joshua Prince to be faithful in the judicial application of the law."*

## **Prince had this to say about the endorsement:**

"When trust of our elected officials and government institutions are at an all time low, it is crucial to acknowledge and celebrate the public servants who are the real deal. After serving our nation in the military, Sheriff Caltagarone spent a career earning the trust of Elk County residents before seeking a leadership role as the chief enforcement officer in the community.

"I'm deeply honored to have this endorsement from Sheriff Caltagarone, and his recognition of my proven record in upholding the Constitutional rights of Pennsylvanians will be a continued legacy when I serve as a judge on the Commonwealth Court for the people."
